MEMORANDUM FOR: Project Security Officer

SUBJECT : Debriefing of Shuttle Personnel

Colonel Russell Berg called this morning to indicate that two (2) personnel of the MATS shuttle have left the shuttle assignment -- one to go to school and one to be separated. Colonel Berg believes that these individuals may be located at Kelly Air Force Base until approximately 15 April. We requested [Redacted] to look into the matter of who should conduct the debriefing of these personnel in order that Colonel Berg may inform General Allen. This presumes that the Project will desire such debriefing inasmuch as the Project decided that the crews should be fully witting.
